Preamble

This Agreement is made this 2nd day of September, 2022 by and between Camden Catholic High School (hereinafter referred to as the School) and the Catholic Teachers Union (hereinafter referred to as the Union);

And whereas, the said parties desire to establish the terms and conditions relating to the professional employment of lay teachers in the School; to affirm the Catholic identity and mission of the School in the Diocese of Camden in the context of the Catholic Church's teaching mission; to advance the Catholic educational objectives of the School as set forth by the Bishop of the Diocese; to indicate the areas of authority and responsibility of both parties; and to provide a reasonable means of adjustment of differences that may arise between them, they agree as follows:

ARTICLE I

Recognition and Scope of Agreement

A. The Union is hereby recognized by the School as the sole and exclusive collective bargaining agent for the following lay employees at the School.

1. All full-time classroom teachers;
2. All full-time guidance counselors;
3. All full-time librarians;
4. All full-time special education teachers;

5. All long term substitutes: long term substitutes are defined as those hired to teach one quarter or more or the equivalent of one quarter or more in school days. If a vacancy occurs after the beginning of school, it will be filled by a full-time employee. However, if a principal receives less than thirty [30] school days notice from the time the vacancy occurs, he/she may hire a substitute to fill the position for that period of time up to thirty [30] school days from the date of notice. In the event that the substitute is subsequently hired to fill the position, the hiring shall be retroactive, to the first day the substitute worked, for all aspects of employment including salary, seniority, benefits, etc.

The above notwithstanding, whenever a vacancy occurs during the fourth quarter, the principal may fill the position with a substitute for the remainder of the school year.

6. All permanent part-time employees: permanent part-time employees are defined as those teaching or working the equivalent of an average of three classes per day.

7. In the event that state funding for nurses ends, the position of nurse shall be held by a full-time employee. The nurse shall have no additional duties such as classroom teaching, service periods, etc. The medical facilities will be open during school hours and the nurse available.

B. Full-time positions shall not be filled with part-time employees.

C. Excluding all others including:

1. The president, principal, vice-principal, all assistant principals appointed by the Bishop of the

Diocese, the dean of students, and the athletic director. These administrators shall teach no more than two (2) periods per day.

2. All short term substitute teachers, clerical employees, custodial-maintenance personnel, cafeteria employees and teacher aides.

D. The subjects covered by this Agreement are wages, benefits and other terms and conditions of employment.

E. Excluded from the scope of negotiations are the following:

1. Decisions involving educational policies touching upon the Catholic identity and mission of the school, and/or ecclesiastical considerations, and/or any matter touching upon the Catholic identity and mission of the school.

2. The right and obligation of the Bishop to assign priests, deacons and religious to any high school position.

3. The administrator's right to assign, supervise, discipline and demand responsible teacher accountability in all curricular and extra curricular areas.

4. The school ratio.

F. The Union declares that its aim is to provide a quality education for the students who attend the school.

G. The School and the Union recognize the uniqueness of the Catholic school: it is established to provide a Catholic education - that is, education based on Catholic faith and Catholic principles under the direction and authority of the Bishop of Camden. Moreover, nothing in the agreement shall be construed to interfere in any way with the religious, ecclesiastical or canonical functions and duties of the Diocese.

H. The School and the Union recognize the importance of employees giving witness to the Faith by upholding and presenting the doctrinal and moral teachings of the Catholic Church and the policies of

the Diocese of Camden related thereto, accurately, authentically and faithfully in all aspects of their educational ministry. Furthermore, Catholic teachers are called to a personal fidelity to the Church; they are to be outstanding for their correct doctrine and integrity of life.

I. The Union recognizes the non-profit nature of the School and that they are non-tax supported enterprises, primarily dependent upon tuition, and fees and voluntary offerings of the people, and that, accordingly, they are non-compatible to tax-supported enterprises.

J. The Union recognizes the sole right and duty of the Bishop of the Diocese functioning through the Diocese to see that the school is operated in accordance with the philosophy of Catholic education, the doctrine, the teachings, the laws and norms of the Catholic Church, and the policies of the Diocese of Camden related thereto as stated by the Bishop.

K. The School and Union shall establish a joint committee for the purpose of being proactive in addressing mutual, non-contractual concerns.

L. The right to hire, suspend, discharge or otherwise discipline a teacher is reserved to the principal of the school subject to the right and duty of the Bishop as acknowledged in this Agreement.

M. The school administrators retain the sole right to operate the School and nothing shall be deemed to limit or restrict them in any way in the exercise of all their functions in management operations. This includes the right to make such rules relating to its operation as they shall deem advisable providing they are not inconsistent with the terms of the agreement.

N. In accordance with part III(2), pages 6&7 of the Settlement Agreement and Release dated October 15, 2001, new diocesan schools are automatically covered under this Agreement.

O. All employees hired on or after 9/1/2005 are subject to criminal background checks by the diocese's designated provider at the prospective employee's expense.

ARTICLE II

Certificates

A. Anything herein to the contrary notwithstanding, the School may require of all employees such New Jersey State certifications as may be required under the provisions of any statute or regulation.

B. Effective September 1, 2018, degreed non-certified teachers may be hired but are not eligible for tenure as

defined in Article III until they have obtained New Jersey State Certification. Degreed religion teachers may be hired but are not eligible for tenure as defined in Article III until they obtain diocesan catechetical certification.

ARTICLE III

Tenure

A. Effective September 1, 2018, tenure is defined as full-time employment by a degree holding, New Jersey State certified or, in the case of religion teachers, diocesan catechetical certified employee for three (3) successive years and one (1) day. The calculation of tenure shall begin on the first paid day of employment. A part-time employee who accepts a full time position at the same school will be credited up to two (2) years of his or her part time experience towards tenure. Each year of part -time teaching will count as one half year experience.

B. An employee having tenure shall not be discharged except for reasons of serious and/or public immorality, insubordination, incompetency, serious neglect of duty

or other just cause. Such discharge, when based upon incompetency shall be preceded by at least a ninety (90) calendar day period during which the employee shall have the opportunity to correct the areas of incompetency. The ninety (90) day period shall commence following a conference with and a written evaluation of the employee detailing the areas of incompetency and the requirements to correct the same.

1. Employee may be otherwise disciplined for just cause which warrants disciplinary action, but falls short of cause for dismissal. This may include suspensions without pay. The School shall endeavor to provide written notice of the reason for any suspension at the time of the suspension. However, in no event shall such notice be provided later than 24

hours thereafter. Verbal notice of the reason shall be given at the time of suspension.

C. Upon dismissal, the employee shall be presented with a written statement of the reasons for such action, which shall be subject to the grievance procedure, except as noted below:

Notwithstanding grievance and arbitration procedures hereinafter specified, any grievance arising from the dismissal of a teacher for serious and/or public immorality and/or public rejection of official doctrine or teachings of the Church, and/or the policies of the Diocese of Camden related thereto as stated by the Bishop of the Diocese shall first be discussed

orally with the principal. The charge shall then be reduced to writing and presented to the teacher. The teacher or Union may then file a grievance at the Office of Superintendent level. If the grievance is not resolved at the previous level, the teacher or the Union may request arbitration by the Bishop of the Diocese, or his designee. In those matters which, in the sole and absolute discretion of the Bishop of the Diocese, concern serious and/or public immorality and/or public rejection of official doctrine and/or teachings of the Church and/or the policies of the Diocese of Camden related thereto as stated by the Bishop, the Bishop of the Diocese shall be the ultimate judge whose decision shall be final and binding on all concerned.

ARTICLE IV

Non-Tenure

A. An employee who has not acquired tenure as defined in Article III, or who is not eligible therefor, may not be dismissed during the term of the contract except for just cause. Such an employee may be otherwise disciplined for just cause which warrants disciplinary action, but falls short of cause for dismissal. This may include suspension without pay.

1. Notwithstanding grievance and arbitration procedures hereinafter specified, any grievance arising from the dismissal of a teacher for serious and/or public immorality, and/or public rejection of official doctrine or teaching of the Church, and/or the policies of the Diocese of Camden related thereto as stated by the Bishop of the Diocese shall first be discussed orally with the principal. The charge shall then be reduced to writing and presented to the teacher. The teacher or Union may then file a grievance at the Office of Superintendent level. If the grievance is not resolved at the previous level, the teacher or the Union may request arbitration by the Bishop of the Diocese, or his designee. In those matters which, in the sole and absolute discretion of the Bishop of the Diocese, concern serious and/or public immorality and/or public rejection of official doctrine and/or teachings of the Church and/or the policies of the Diocese of Camden related thereto as stated by the Bishop, the Bishop of the Diocese shall be the ultimate judge whose decision shall be final and binding on all concerned.

B. Any dismissal or other discipline of a non-tenure employee may be appealed to Step 3 of the Grievance Procedure. The decision at that Step shall be final.

C. Non renewal of the contract of a non-tenured employee may not be for reasons arbitrary and capricious. Any non-tenured employee whose contract is not renewed shall be notified to that effect in writing by May 20 of any school year in which such termination shall take effect at the close of the school year in which the contract is so terminated. This letter shall contain the reasons for non-renewal of the employee's contract and should be interpreted to include but not be limited to the evaluation reports and notices of deficiency. Non renewal of a non-tenured employee may be appealed to step 2 of the grievance procedure. The decision at that step shall be final.

D. All employees hired after September 1, 2018 must, as a condition of continued employment, either be certified or show continued progress toward certification, for up to four (4) years following employment. Failure to comply may result in loss of employment. An employee will not be entitled to tenure until certification is obtained. Tenure shall be calculated from the first day of paid employment.

ARTICLE V

Seniority

A. There will be two levels of seniority within the School, as follows: School Seniority, based on the length of continuous service in a particular School, and Bargaining Unit Seniority, based on the length of continuous service within the School. This

provision will be interpreted in a manner consistent with Part IV, pages 8 & 9 of the Settlement Agreement and Release dated October 15, 2001. Employees who transfer to or are placed in another School maintain their prior School seniority in the

new School. Seniority shall be calculated from the first paid day of employment.

B. A newly hired employee having prior teaching experience in any Catholic school in the Diocese of Camden shall receive full credit for such experience, for salary purposes only. Prior teaching experience in private Catholic schools within the Diocese shall not be covered by this provision.

1. Any other newly hired employee's salary shall be determined by the School, although not more than ten (10) years credit for prior teaching experience can be given.

C. If an employee who has taught in the School is rehired, he/she shall return with full salary increments and Bargaining Unit Seniority previously acquired provided the employee is rehired within two (2) school years of prior service. Tenure previously obtained will be restored after one (1) year of satisfactory service.

D. Any employee who works at least one-half of the employee work year or one full semester shall receive credit for a full year on the salary guide. Any employee on an approved leave of absence taken because of disability shall receive credit on the salary scale for time spent on leave. However, no

more than one year of credit shall be granted to an employee on disability leave.

E. Catholic Schools Office employees or School Administrators, including the athletic director, shall have the right to return to the bargaining unit and upon return they shall obtain full credit and benefits and School and Bargaining Unit Seniority for years of service both in their teaching and administrative capacities.

F. Seniority credit shall be given for approved leaves of absence taken because of disability.

G. Previously acquired seniority shall be maintained for employees returning upon the conclusion of other approved leaves of absence.

H. Rights of employees regarding military service shall be determined in accordance with law.

I. A member of the bargaining unit who becomes a campus minister shall have the right to return to the bargaining unit and upon return he/she shall obtain full credit and benefits and School and Bargaining Unit Seniority for years of service both in his/her teacher and campus minister capacities.

ARTICLE VI Constriction

A. It may be necessary to reduce teaching personnel due to a reduction in student enrollment, dropping or changing courses by students or for other good reason.

1. Such notification shall ordinarily be given by May 15.

2. However, constriction may occur at a later date as conditions warrant.

3. Under no circumstances shall the School delay notification of any intended constriction.

B. In the event of a reduction in force which involves only non-tenured employees, credentials, evaluations, and evidence of ongoing formal education shall be utilized to determine who shall be laid off. All things being equal, seniority shall prevail.

C. The seniority of tenured employees is determined by the following criteria, in the order of priority:

1. First day of work;
2. Academic credentials (graduate credits);
3. Certification;
4. Evaluations;
5. Date of hire; (contract signing date).

D. In the event of a reduction in force which involves tenured employees, those who are senior under school seniority and qualified shall be retained in the available positions. Senior employees who are not qualified shall be dismissed.

E. A dismissal of a tenured employee based upon lack of qualification for available positions may be appealed in accordance with the Grievance Procedure. A dismissal based upon lack of seniority is not subject to appeal (although disputes over who is senior are).

F. No new teacher will be hired to fill vacancies until a constricted tenured teacher has been placed. If a constricted tenured teacher has not been placed by July 15th, that teacher will be assigned by the superintendent, provided there is within the School a non-tenured teacher holding a position for which the constricted tenured teacher is qualified.

G. In the event that the school where the reduction took place subsequently has a position available for which a displaced tenured employee is qualified, he/she shall be offered the employment. If two (2) or

more qualified displaced employees apply for the position, seniority at that school shall prevail.

H. An employee who accepted a position in another school due to a constriction shall be given the opportunity to return to his/her previous school when a position for which he/she is qualified becomes vacant, retaining previously held school seniority, provided that such return shall be permitted only at the beginning of the school year.

I. All rights under this Article shall cease two (2) years following dismissal due to reduction in force.

J. If an employee who has taught in the School is rehired, he/she shall return with full salary increments and Bargaining Unit Seniority previously acquired provided the employee is rehired within the time period set forth in paragraph J of this Article. Tenure previously obtained will be restored after one (1) year of satisfactory service. If health benefits coverage from the prior employer are not available, the employee may enroll in a private plan secured through Diocesan assistance.

K. A list of all known available openings at the school shall be sent to the Union by the 15th day of May of each year. Periodic updates shall be given to all displaced tenured employees and the Union as openings occur.

L. All transfers and layoffs and the procedures involved shall conform to the provisions of this contract and all appropriate Constriction Guidelines unless mutually agreed to by the Union and the Office of the Superintendent.

M. The principal or his/her designee shall meet with the Union regarding the application of the procedures in this Article.

N. The provisions of this Article include by reference thereto the provisions of Part IV, page 8 (Employee Portability), of the Settlement Agreement and Release dated October 15, 2001

ARTICLE VII Grievance Procedure

A. Definition.

A grievance is defined as an alleged violation, misinterpretation or misapplication of this Agreement.

B. Procedure.

1. Step 1. Any employee having a grievance shall submit a written, signed statement on a standard form to the school principal outlining the nature of the grievance, the specific section of the Agreement alleged to be violated, misinterpreted or misapplied and the remedy sought. This statement must be in the school principal's office within ten (10) school days following the occurrence of or the common knowledge of the occurrence of the situation giving rise to the grievance. The school principal shall meet with the employee and his/her Union representative, if any, within ten (10) school days following receipt of the grievance statement in order to discuss the grievance. The school principal shall submit a written reply within five (5) school days thereafter.

2. Step 2. In the event that the school principal's reply is not satisfactory, or in the event that he/she does not submit his/her reply within five (5) school days, the employee may submit the grievance statement, along with the school principal's reply, if any, to the Superintendent of Schools. The statement must be in the superintendent's office within five (5) school days following either the aforesaid reply or

expiration of time to reply, as the case may be. The superintendent shall meet with the employee and his Union representative, if any, within ten (10) school days following submission of the grievance statement in order to discuss the grievance. Within five (5) school days thereafter, the superintendent shall submit a written reply.

3. Step 3A. In the event that the superintendent's reply is not satisfactory, and the grievance is not contesting the suspension or discharge of a tenured employee, the Union shall inform the superintendent within ten (10) school days. The grievance will be submitted to a professional arbitrator from a panel of three arbitrators with Catholic school arbitration experience for a hearing. Selection of the arbitrator for the hearing will be by mutual agreement or by alternately striking names until one remains who shall then be the selected person. Within ten (10) school days from the date of the submission at (3A), the arbitrator shall convene a hearing at the School Office to hear the grievance. Within fifteen (15) school days from the date of this meeting the arbitrator shall provide a written answer to the employee and his Union representative. The costs of the arbitrator shall be borne equally by the School and the Union. However, any additional costs shall be borne by the party incurring them. The arbitrator shall have no power or authority to add to, subtract from, alter or

modify this Agreement. The disposition of the grievance by the arbitrator shall be final and binding on all concerned.

4. Step 3B. In the event that the superintendent's reply is not satisfactory, and the grievance is contesting the suspension or discharge of a tenured employee (except where such suspension or discharge results from a teacher violating the teachings of the Roman Catholic Church), the Union may submit the grievance statement within ten [10] school days, along with any replies thereto, to the American Arbitration Association (Philadelphia Office) for arbitration. The selection of the Arbitrator and the conduct of the arbitration hearing shall be in accordance with the Association's rules. The costs of the Arbitrator shall be borne equally by the School and the Union. However, any additional costs shall be borne by the party incurring them. The Arbitrator shall have no power or authority to add to, subtract from, alter or modify this Agreement. The decision of the Arbitrator shall be final and binding on all concerned.

C. Grievance Processing.

1. Every effort shall be made to resolve the problem at the local school level since all concerned agree that such problems can best be handled on a local level.

2. All grievance meetings shall be held outside of the employee's normal school work hours at a time mutually agreed upon by those involved.

3. Failure of the employee to file the grievance within the time limits specified at each step shall result in a disallowance of the grievance.

4. A teacher shall have the option of processing his/her grievance at any and all steps, except

arbitration, on his/her own, without the assistance and participation of his Union representative if he/she so desires. In such event the representative shall receive copies of all written documents if the grievance would have an effect on the Union or other employees.

5. No reprisal of any kind shall be taken against any employee who participates in the processing of a grievance or the Union representative involved.

6. The grievance may be withdrawn by the employee at any level. However, the Union shall have the option to continue such grievance if it affects a group of employees.

7. The disposition of any grievance at any step which is agreed upon by the School and the employee shall be final and binding on all concerned, subject, however, to the option of the Union to process a grievance which affects a group of employees.

8. The superintendent or the Union may request additional individuals to be present at the grievance meeting as it is determined to be necessary to assist in a full and fair grievance hearing.

9. A grievance involving the dismissal of an employee under tenure shall be initially submitted at Step 2 of the Grievance Procedure.

D. The Union may initiate at the level of the superintendent a grievance regarding interpretation of the contract provided there is an actual case. This means that an employee or employees must have in fact been affected by an administrative decision under the contract. Assertions which in effect are seeking advisory opinions shall not constitute a grievance.

ARTICLE VIII

Teacher Assignments

A. No later than sixty (60) calendar days before the end of the school year, teaching, service and homeroom preference forms shall be distributed to all employees and returned no later than ten (10) school days thereafter. The talents and professional skills and experience of the individual employee in conjunction with the preference form choices shall be considered. Where preference form choices are not assigned, the administrator and department head at the local school shall, when requested, discuss the reasons. The administration's decision is not grievable.

F. Rosters may be modified as required by changes in staff, changes in student population, dropping or changing of courses by students, or for other good reason.

G. Employees shall not be assigned to teach subjects outside their field of competency (qualifications) unless agreed to in writing on the prescribed form by the employee and the principal. A copy will be forwarded to the Union. Competency (qualifications) shall be determined as demonstrated by academic background which shall mean twenty-four (24) minimum semester hours of college credit or teaching experience in the subject which shall normally mean three (3) years or more.

In cases such as Science, Foreign Language, General Arts, and Math there are specific competencies, which should be honored where possible, such as:

J. No employee shall be assigned a schedule (teaching and service periods) exceeding 180 minutes consecutively.

No employee shall be assigned a schedule (teaching and service periods) exceeding 270 minutes per day. If an employee is assigned instructional and/or service duties during 1st, 2nd, 4th, and 5th periods, the employee shall not be assigned an additional instructional and/or service duty during the 3rd period

K. No employee shall have a teaching load exceeding 40 teaching periods in an eight (8) day cycle.

L. A preparation period is one during which the employee is not assigned to a program responsibility.

1. One (1) preparation period of sixty (60) minutes per day and one (1) duty free lunch period of thirty (30) minutes per day, shall be rostered to each employee.

M. No employee shall be assigned a total teaching load more than 160 students. No employee shall be assigned a class larger than 35 students.

1. All science lab classes shall not exceed 32.

4. Every effort will be made through improved scheduling to reduce individual class size further.

5. The School will have three (3) full class days at the beginning of each school year to rectify initial deviations from roster numbers, during which time such deviations will not be subject to the grievance procedure. In the absence of a signed volunteer form, any such deviations will be noted at the time that rosters are distributed.

N. Guidance counselors shall not be assigned more than 250 students.

1. Guidance counselors shall not be assigned teaching or service period responsibilities.

O. Heads of departments with two to four persons including the chairperson shall have a reduction of two service periods per week. Heads of departments with five or more persons including the chairperson shall have no service periods assigned.

Q. Special education teachers shall have an average of 12 students per teacher assigned.

1. Such students shall be admitted to the program after proper classification.

2. A preparation period shall be rostered where possible unless mainstreaming procedures prevent such scheduling.

R. Each newly-hired teacher shall audit the classes of consenting teachers according to the following schedule:

1. Non-certified teacher with no prior experience: five periods during the first semester, three periods during the second semester.

- 2. Certified teacher with no prior experience: four periods during the first semester, two periods during the second semester.

3. Teacher with prior full-time teaching experience: three periods during the first semester, two periods during the second semester.

The newly-hired teacher must submit a written record to the department chair and principal listing class audited, period of class, and teacher. A conference shall be held with the department chair following the audit.

During the first semester of the school year, audits will take place during service periods. During that semester, the administrator charged with assigning substitutions can override, in the case of emergency, a scheduled audit.

During the subsequent semester, audits will take place during preparation periods.

S. It is agreed that the requirements of this Article may be altered only where the employee voluntarily

agrees according to the provisions as outlined under the General Teaching Conditions, Section 1, in which case the volunteer form shall accompany the roster, or in the cases of academic necessity in which event, the Principal or his designee shall provide the opportunity to discuss the situation with the employee concerned. Academic necessity shall be understood as a unique situation where the implementation of a requirement would result in serious academic harm to a student or group of students. Academic necessity will only be applied after consultation with the Union.

An employee may agree to complete a volunteer form at the time he/she is informed by the Administration of his/her tentative roster. If there are no changes to the roster between this time and thirty (30) days prior to the opening of school, the signed volunteer form shall remain in force.

B. The employee work day shall not exceed seven and one-half (7-1/2) hours per day, provided, however, that employees may leave for the day twenty (20) minutes after the dismissal of students from the building at the end of the day and the completion of meetings (if any) and detention monitoring (if any).

For each year that the option is exercised, the employee's compensation will be 50% of the difference between Step 4 of the current salary scale of the year in which the retiring employee first exercises the option and the current base salary step of the retiring employee on that same salary scale. Compensation for any ensuing years until the employee attains the age of 65 will be calculated on the same basis and salary scale as those used for the year in which the employee first exercised the option.

The employee's remuneration for one-half school year of retirement will be 50% of what would have been paid for a full school year of retirement.

No payments will be made after the contract year during which the employee attains the age of 65.

The retiring employee's compensation is subject to all applicable tax and social security obligations.

3. The two early retirement options described in this article are mutually exclusive. A teacher who selects one of the options will receive no benefit from the other.

All changes are effective the following July 1. In exercising the option, the employee must state that he/she has current medical and major medical insurance elsewhere.

b. When waiving medical, major medical and hospitalization coverage, the employee shall agree to notify the superintendent within thirty (30) days of the date when coverage under an alternative insurance plan is lost or lapses. The employee shall be re-instated in the diocesan plan on the first day of the month following loss or lapse of coverage under an alternative insurance plan due to a life-changing event.

At age 65 the employee will no longer be eligible for coverage under the Diocesan plan.
2. The retired employee's spouse may participate in the current health coverage at the retired employee's expense, until the retired employee reaches the age of 65. If the spouse is not yet eligible for Medicare, the Diocese will assist the spouse in obtaining coverage, if the spouse chooses, and at the spouse's expense.
3. If a retired employee participating in this coverage dies before the age of 65, the spouse is no longer eligible to participate in the plan.

Administrative Rules

1. An "eligible retiree" is an employee:
 - a. age 60 or older who is not qualified for Medicare coverage, and
 - b. who has served not less than 20 years of service with *covered employers*, and
 - c. who terminates employment with a *covered employer*, and
 - d. who remains current with healthcare contributions, and
 - e. who while in active employment, was covered by the Diocesan health plan for at least five years, prior to retirement.
2. A "covered employer" is:
 - a. a parish, agency or an institution of the Diocese of Camden, which provides coverage with the Diocesan health plan.
3. Healthcare premiums are due and payable by the eligible retiree no later than the tenth of the month before the month for which coverage is requested. As an example, premium for coverage for the month of July must be paid no later than June 10.
4. Coverage terminates for an eligible retiree for the earliest of the following:
 - a. notification by the eligible retiree in writing with copies of the Social Security Administration notice to show that Medicare coverage is now in effect, or
 - b. the healthcare premium is more than 15 days late, or
 - c. the death of the eligible retiree.
5. Coverage terminates for a dependent of an eligible retiree:
 - a. when documentation has been received from the eligible retiree that Medicare coverage is now in effect, or
 - b. when the healthcare premium is more than 15 days late, or
 - c. when the dependent dies, or
 - d. when the eligible retiree dies.
6. Single healthcare coverage may be changed to add dependents during the Open Enrollment Period each year. The Open Enrollment Period is the month of May for a July 1 effective date.
7. An employee and dependents form of healthcare coverage may be changed to Single coverage at any time. It will become effective on the first of the month following the month in which the covered employer is notified in writing.

8. An eligible retiree who has been covered by the Diocesan health plan and who elected coverage completes the Election Form. The completed Election Form is forwarded to the employer. Arrangements are made with the employee to remit the required monthly premium payments to the employer on a timely basis.
9. An eligible retiree who elects to waive Program coverage must complete a Waiver Form. This Waiver Form is forwarded to the employer.

Less than 6 months	No benefit
Six months but less than two years	Two full weeks salary
Two years but less than three years	Three full weeks salary
Three years but less than four years	Four full weeks salary
Four years but less than five years	Five full weeks salary
Five years but less than six years	Six full weeks salary

Seven years but less than eight years	Eight full weeks salary
Eight years but less than nine years	Nine full weeks salary
Nine years but less than ten years	Ten full weeks salary
A minimum of ten years	Twelve full weeks salary

2. In the case of teachers, "salary" shall be calculated by dividing their annual base compensation by fifty-two (52) to ascertain a weekly salary.

3. Once it is determined that an instrumentality of the Diocese of Camden is to involuntarily terminate an employee other than "for cause," then such instrumentality shall so notify the Office of Human Resources, the Plan Administrator, forthwith so that inquiries can be effected in an attempt to secure another suitable position for such employee within the diocese. The inability of the Diocese to locate another suitable position shall entitle the employee to the previously specified benefits under this Plan.

4. Years of employment will be calculated from the first day of employment until the date of involuntary termination. Calculation of total time accumulated for the purposes of Paragraph 3 shall be for continuous and uninterrupted service with any instrumentality of the Diocese of Camden.

Service with one or more instrumentalities shall be deemed to be continuous and uninterrupted provided it is consecutive.

Service shall be deemed to be continuous and uninterrupted in the case of educational instrumentalities notwithstanding the fact that such educational instrumentalities do not operate during the normal and accepted vacation periods.

5. Implementation of the Plan by the Diocese of Camden is not intended to confer, and does not confer any legal, equitable, contractual or other rights on any kind on any employee of any instrumentality of the diocese. It may at any time, and with or without cause, be amended in whole or in part by the Diocese and/or abrogated in its entirety.

6. In the case of an employee who is delivered of a child, maternity leave of up to one year, during which time the employee is not otherwise gainfully employed, shall not be deemed to interrupt the continuous and uninterrupted service required in Paragraph 4; provided, however, that such maternity leave shall not be calculated as employment for purposes of Paragraph 1.

7. No payment shall be made under this plan to any employee who, at the time of involuntary termination, is entitled to receive any other type of severance pay or unemployment compensation of any kind pursuant to any type of agreement or requirement.

8. No payments shall be made under this Plan to any employee who, within 10 business days of termination has obtained another suitable position.

9. Any employee eligible for benefits under the provisions of the Diocesan pension program shall be ineligible for benefits under this Plan.

10. Roman Catholic agencies, institutions and instrumentalities which are located in the Diocese of Camden, but which are not subject to the civil authority of the Ordinary of the diocese, may participate in this program, with the approval of the said Ordinary, on a voluntary basis, provided, however, that such participation of any such agency, institution or instrumentality shall be conditioned upon such entity complying with all applicable provisions of this program. Participation by any such agency, institution or instrumentality is not intended to confer, and does not confer, any legal, equitable, contractual or other right of any kind on any employee of any such entity. Participation of any such entity in this program may be terminated, at any time and with or without cause, by such entity or by the Ordinary.

13. Notwithstanding any other provisions of this Plan no employee of any educational institution shall be entitled to any benefits hereunder during the summer vacation period between academic years.

14. Notwithstanding any other provisions of the Plan, any employee of an educational institution who has been subject to an involuntary termination at the end of the academic year, and who normally does not work at such educational institution during the summer vacation period, and who is not otherwise gainfully employed on the first day of the next succeeding year shall, only at such time, receive the appropriately computed benefits under this Plan.

Sample Letter Requesting Excusal From Jury Duty During the School Year

Dear Sir/Madam,

I am a teacher in a private high school. As such I do not get vacation days, nor will I get paid for days missed, if I am placed on a jury. This would be a financial hardship for me and my family. This will also cause a hardship for the school and my students.

For these reasons I ask that you postpone my service on jury duty to the time when school is not in session, between June 22 and August 15.

Thank you for your consideration of this matter. I look forward to serving next summer.
